- (i) The remote e-voting period begins on Monday, September 13, 2021 (09:00 A.M.) and ends on Thursday, September 16, 2021 (upto 5:00 P.M.). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Friday, September 10, 2021 may cast their vote electronically. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SARDA PROTEINS LIMITED**, as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE - 1

SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies (Accounts) Rules 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

B. USE OF ESTIMATES

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

C. FIXED ASSETS

- i. Fixed Assets are stated at historical cost less depreciation. The cost comprises directly attributable costs such as freight, insurance and specific installation charges for bringing the assets to their working condition for intended use.
- ii. Intangible Assets are recognized on the basis of recognition criteria as set out in Accounting Standard AS-26 "Intangible Assets".

D. DEPRECIATION

Depreciation is provided on the basis of Straight Line Method as per the rates and in the manner prescribed in Schedule II of the Companies Act, 2013.

E. INVENTORIES

There is no closing stock of Finished Goods, Raw Material, By Products and Stock & Spare Parts during the financial year ended 31st March 2021.

F. REVENUE RECOGNITION

Revenue is recognized on mercantile basis except for claims/insurance claims, which are accounted for on ascertainment basis in view of uncertainty involved in determining the final amount.

No Interest income received on fixed deposit with bank during the year.

No Dividend income received from investments during the year.

G. CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

H. SUBSIDIES

State subsidies are accounted for on receipt basis.

I. RETIREMENT BENEFITS

i. GRATUITY

Provision for Gratuity in the nature of defined benefit obligation is considered on the basis of revised Accounting Standard (AS-15) on actuarial valuation. The discount rate and other actuarial assumptions are based on the parameters defined in the Accounting Standard.

ii. PROVIDENT FUND

Company's contribution to the Provident Fund in the nature of Defined Contribution Plan is being charged to Statement of Profit & Loss Account in the year in which services are rendered by the employees.

iii. LEAVE ENCASHMENT

Short term benefits are provided for on accrual basis on the basis of management estimates.

J. TAXES ON INCOME

Income tax expense is accounted for in accordance with AS-22, "Accounting for Taxes on Income", as stated below:

- i. Provision for current tax is made based on taxable income for the year computed in accordance with provisions of the Income Tax Act, 1961.
- ii. Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.
- iii. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.
- iv. Deferred tax asset is recognized and carried forward to the extent that there is a reasonable certainty of realization. In the case of unabsorbed depreciation and carry forward tax losses deferred tax asset is recognized, to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

K. IMPAIRMENT OF ASSETS

Impairment loss is recognized wherever the carrying amount of an asset is in excess of its recoverable amount and the same is recognized as an expense in the statement of profit and loss account and carrying amount of the asset is reduced to its recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the asset over its remaining useful life. Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased.

L. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimable and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at their reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote no provision or disclosure is made.

M. EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

N. SEGMENT POLICIES

The Company's reporting segments are identified based on activities/products, risk and reward structure, organization structure and internal reporting systems.

O. INVESTMENTS

Investments intended to be held for more than a year are classified as long term investments. All other investments are classified as current investments. Current investments are stated at lower of cost and market/fair value. Long term investments are stated at cost. Decline in value of long term investments is recognized, if considered other than temporary.

P. BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Q. CASH FLOW STATEMENT
