Subject: Submission of Copies of Newspaper Advertisement – Notice of Extra-Ordinary General Meeting, Remote E-voting Information and Book Closure

Dear Sir/Madam,

Pursuant to Regulation 30 and Regulation 47 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and other applicable provisions, we hereby submit copies of the newspaper advertisements published on **07 July, 2026** regarding the **Notice of the Extra-Ordinary General Meeting, Remote E-voting Information and Book Closure** of the Company.

The aforesaid advertisement has been published in the following newspapers:

1. **Financial Express** (English Language – All India Edition); and
2. **Rajasthan Patrika** (Hindi Language – Rajasthan Edition).

The said advertisements contain the information as required under the Companies Act, 2013, the applicable Rules made thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The above information is also available on the website of the Company.

Kindly take the above on record.

Thanking You.

Yours faithfully,

For Sarda Proteins Limited

Shirish Dhirajbhai Savaliya
Managing Director

IN THE NEWS

AT ₹2.53 LAKH CR, CP ISSUANCES TOUCH 5-YR HIGH

RAISING OF FUNDS by corporates through the commercial papers (CPs) route surged to a nearly five-year high in June, driven by favourable pricing, seasonal working capital requirements and refinancing of existing debt. According to Prime Database data, corporates raised ₹2.53 lakh crore through CPs in June, up 84.6% from ₹1.37 lakh crore in May. On a year-on-year basis, issuances rose 59.4%, from ₹1.59 lakh crore in June 2024. The June mobilisation was the highest since July 2021, when companies had raised ₹2.69 lakh crore, data showed.

'Gold pips vehicle loans as largest securitised asset class'

GOLD LOANS EMERGED as the largest securitised asset class in the April-June quarter of the current fiscal, overtaking vehicle loans in the country's securitisation market, a report said on Monday.

The report said more than 98% of the issuances during the quarter were originated by non-banking financial companies (NBFCs), unlike previous peak periods when banks had also contributed significantly.

Gold loans accounted for around 31% of the overall securitisation volume in the first quarter, overtaking vehicle loans, whose share moderated to around 26% because of fewer issuances by a large originator.

"The robust volume indicates NBFCs ramped up recourse to securitisation for raising funds amid sustained credit demand and healthy investor appetite for securitised assets. Specifically, gold loan financiers saw strong portfolio growth and used the direct assignment route to source funds," CRISIL Ratings Director Deepanshu Singla said.

PTI

Sebi plans to double stocks eligible for short selling

● Not clear by how much collateral requirements might be cut

JAYSHREE P UPADHYAY
Mumbai, July 6

THE SECURITIES AND Exchange Board of India (Sebi) is planning to make it easier for investors to short stocks by nearly doubling the number of shares eligible for lending and borrowing and by cutting collateral requirements, two sources said.

The changes are aimed at boosting the cash equities market and drawing investors away from the larger derivatives market, which has seen explosive growth, but carries greater risks for retail investors in particular.

Stock scam scandals led the government to develop strict requirements for cash equities market, with rules being tightened in the early 2000s and again during 2017 to 2020.

That has meant that while the National Stock Exchange, which accounts for about 95% of India's cash equities market, has some 2,600 companies listed, only 176 are currently eligible for borrowing and

CASH EQUITIES MARKET TO GET A BOOST

■ Regulator also plans to cut collateral needed to short stocks

■ Aim is to boost cash market and draw investors away from derivatives

■ Detail guideline likely by the end of this year

■ Currently, stocks only 176 of 2,600 NSE companies can be shorted

■ Main criteria determining eligibility: Liquidity, trading volume & stock's ability to support exposure to derivatives trade

lending. By nearly doubling that number, authorities hope to include the majority of liquid shares, sources said.

The three main criteria determining eligibility include liquidity, trading volume and the stock's ability to support exposure to derivatives trading.

For example, a stock must have an average monthly trading turnover of at least ₹100 crore over the previous six months and be large enough to support derivatives exposure of at least ₹100 crore across the market. There are also rules relating to how much of a stock should be held by public shareholders.

"Deliberations are on relax-

ing the two thresholds," said one of sources, adding that details are likely to be finalised by the end of this year.

Cash versus derivatives

It was not clear by how much collateral requirements might be cut. In India, the amount of collateral needed under borrowing and lending rules can be as high as 130%, while in the US and Europe, the amount is around 100%.

With India's economy growing at a rapid 6-7% for the past 10 years excluding the pandemic, so too has interest in stocks. The market value of National Stock Exchange

shares has surged from about \$1 trillion a decade ago to over \$5 trillion now.

But growth in the India's derivatives market — the world's largest — has been even bigger. Capital deployed in derivatives is about three times that of the cash market, and the gross contract value is nearly 500 times larger. Nearly 90% of retail investors trading derivatives make losses, Sebi has said.

It is seen riskier as contracts are leveraged and losses can theoretically be unlimited. In the cash market, risks are more contained as the trading position is backed by actual shares and collateral.

Sensex rises 521 points, indices close at over two-month high

KUSHAN SHAH
Mumbai, July 6

THE EQUITY MARKETS extended their gains for the fourth trading session in a row on Monday, with the benchmark Sensex gaining 521 points to settle at a more than two-month high.

The BSE benchmark rose 0.67% to close at 78,285 points, a closing level not seen since April 22. The NSE Nifty-50 climbed 159.50 points, or 0.66%, to close at 24,430.35, the highest closing level since April 21.

Nineteen of the 25 BSE sectoral indices ended in green during the day, with realty and private banks emerging as major gainers. Public sector banks, hospitals and IT sectors stocks declined. Investor wealth rose by ₹2.06 lakh crore.

The rally was led by HDFC Bank, Mahindra and Mahindra and Bharat Electronics, while Kotak Mahindra Bank, TCS and Bajaj Finserv emerged as major laggards. The mid- and small-cap indices underperformed the benchmarks by advancing 0.47% and 0.20%, respectively. The market breadth was

negative with 2,055 stocks advancing against 2,286 stocks closing in red. The advance-decline ratio of 0.90 was the lowest of the last four trading sessions.

Experts attributed the rise majorly to positive news on the corporate earnings front. Ajit Mishra, SVP-research, Religare Broking, said the positive

undertone of the market was primarily driven by strong quarterly business updates from leading private sector banks, particularly HDFC Bank, which boosted the sentiment across the financial space. He added that continued softness in Brent crude prices, easing concerns over global interest rates and

improving monsoon progress further supported investor confidence.

Foreign portfolio investors bought shares worth ₹243.03 crore (\$25.5 million) and domestic institutional investors purchased equities worth ₹3,791.42 crore, as per provisional data by the BSE.

Ankur Punj, MD & business head, Equirus Wealth, said the markets maintained their upward bias despite mixed global cues, driven by buying in select banking, auto, capital goods and realty shares. He added that the calmness in the West Asia region and hopes for a relatively steady corporate earnings season kept the investor mood optimistic.

Siddharth Khemka, head of research - wealth management, Motilal Oswal Financial Services, believes that the Indian equity markets will continue to move higher, supported by stable crude oil prices, a steady rupee and strong pre-quarterly business updates.

Rupee closes at 3-week low as dollar advances

OCHRISTINA TITUS
Mumbai, July 6

THE RUPEE SLIPPED to a three-week low on Monday as a stronger dollar pinched the currency, with maturing contracts in the non-deliverable forward adding to the pressure. The rupee fell to 95.40 against the dollar, down 18 paise from the previous close, according to Bloomberg.

"While equities and oil prices showed some positive signs, the rupee's movement has largely been driven by sentiment, with dollar demand remaining elevated. As a result, many currencies, including the rupee, continue to weaken against the dollar," said Dilip Parmer, research analyst, HDFC Securities.

The dollar index, which measures the US currency against a basket of six major currencies, rose 0.26% to 101.12 on Monday. Most Asian currencies ended lower. Over the past one month, the

UNDER PRESSURE

Dollar vs rupee
Inverted scale

index has risen nearly 2% on growing expectations of a hawkish stance from the Federal Reserve.

Oil prices, which had previously weighed heavily on the rupee, is now trading at around \$71 a barrel. There has been a 26% fall in oil prices

over the past month.

So far in 2026, the rupee has declined 6.15% and over the past year, it fell 10%.

If the dollar index keeps climbing, it would threaten the rupee stabilisation, Parmer said. "Provided the rupee remains below 96, the outlook is not immediately worrisome. In the near-term, I expect the rupee to trade in the range of 94.45-95.80."

Currency dealers said the Reserve Bank of India carried out modest dollar interventions, capping further weakness.

"The kind of one-sided response of the rupee to the dollar index movement shows that the underlying mood is fragile. In addition, persistent dollar buying from oil companies also pressured the currency during the day," said Amit Pabari, MD, CR Forex.

A fresh negative trigger could push the rupee towards 95.80-96.00, while support holds near 94.80-95.00, Pabari said.

Bonds rally on rain relief, foreign demand

GOVERNMENT BOND YIELDS extended their slide on Monday, as improved monsoon rains and sustained foreign buying buoyed sentiment. Yield on the benchmark 6.94% 2036 bond settled at 6.6851%, down from its previous close of 6.7108%.

The close below the 200-day moving average, the first since October 2025, is a key technical break and could attract momentum buying, a private bank trader said. The 10-year yield could drop to 6.64% in the near term, said Alok Singh, head of treasury at CSB Bank.

The rally was also supported by strong overseas demand under the fully accessible route, with foreign investors net buying more than ₹34,600 crore of government bonds over the five weeks since June 1.

Marketing of NSE IPO from next wk

AGENCIES
New Delhi, July 6

THE NATIONAL STOCK Exchange of India is set to begin formal marketing for its initial public offering (IPO) as early as next week, sources said. It is planning to launch the IPO, estimated at around ₹30,000 crore, in September.

The NSE plans to hold investor meetings across the US as well as in London, Singapore, Hong Kong, West Asia and India, according to people familiar with the development.

The proposed public issue will be entirely an offer for sale (OFS) of 148.9 million equity shares, with existing shareholders collectively divesting nearly 6% of the exchange's equity, according to the draft red herring prospectus filed in June. The NSE has around 180,000 shareholders.

The exchange is valued at more than ₹5.25 lakh crore

(\$55.1 billion) in the gray market, according to unlisted stock trading platform Unlisted-Zone.com. At that valuation, selling the entire stake on offer could raise about ₹30,600 crore, surpassing the ₹27,870-crore listing of Hyundai Motor Co.'s Indian unit in 2024.

The exchange has appointed 20 banks to work on the share sale, including Kotak Mahindra Capital, JM Financial, Morgan Stanley, HSBC Holdings, and Citigroup.

Big companies return to banks as capex picks up

CREDIT GROWTH remained robust across the MSME segment as well, though that largely continued an existing trend. Loans to medium enterprises rose 21.2% year-on-year to ₹4.47 lakh crore, while lending to micro and small enterprises increased 26.2% to ₹10.67 lakh crore. A year earlier, these segments had already recorded growth of 16.9% and 13.7%, respectively.

Overall bank credit expanded 17.7% year-on-year to ₹215.16 lakh crore as of May-end.

Among industries, power remained the largest contributor, with bank lending rising 23.8% to ₹8.58 lakh crore. Loans to the iron and steel sector grew 22.6% to ₹3.59 lakh crore, while credit to petroleum, coal products and nuclear fuels surged 40.9% to ₹1.94 lakh crore.

Bankers said highly rated corporates are increasingly finding bank loans competitive, with lending rates available below 10% in many cases.

"Besides JSW Steel, Adani and Reliance, a few other major business houses are lining up funding plans that include a higher share of bank borrowings," said a senior banker. "A gradual shift from commercial paper to bank credit is under way."

Banks also expect MSMEs to remain an important growth engine through the rest of the year.

The RAM (retail, agriculture and MSME) segment has been a major contributor to our credit growth in the first quarter of FY27. We expect it to remain a key driver in the coming quarters as well," said Kalyan Kumar, MD & CEO of Central Bank of India.

Banks expect MSMEs to remain an important growth engine through the rest of the year

NOTICE TO SHAREHOLDERS REGARDING 51ST ANNUAL GENERAL MEETING AND E-VOTING

Members are hereby informed that notice convening the 51st Annual General Meeting ("AGM") of the Company scheduled to be held in compliance with all applicable provisions of the Companies Act, 2013 and the Rules made thereunder and the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and General Circular No. 03/2025 dated September 22, 2025 read with General Circulars No. 14/2020, 17/2020 and 20/2020 dated April 8, 2020, April 13, 2020, and May 5, 2020, respectively, and other applicable circulars issued by the Ministry of Corporate Affairs ("MCA") and SEBI Master Circular No. HO/491/14/17(2025-CFD-POD2/13762/2026 issued on July 11, 2023 (Last updated on January 30, 2026), through Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM") on Thursday, August 06, 2026 at 3:00 P.M. IST. Notice of AGM and Integrated Annual Report 2025-26 have been sent by email on July 06, 2026 to all the Members of the Company whose email addresses are registered with the Company / Depository Participant(s). The aforesaid documents are available on the Company's website at www.dabur.com and on the website of the Stock Exchanges, i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com, respectively, and on the website of Company's Registrar to an Issue and Share Transfer Agent ("RTA") - KFin Technologies Ltd. ("KFin") at <https://evoting.kfintech.com/public/Downloads.aspx>.

Further, as per Regulation 36(1)(b) of the Listing Regulations, a physical communication containing the weblink including the exact path of the Company's website where the Notice of AGM and Integrated Annual Report 2025-26 can be accessed is being sent to those members who have not registered their email ids.

The Company is providing facility for voting by electronic means (e-voting) to its members to enable them to exercise their right to vote on resolutions proposed to be passed in the AGM. Members may cast their votes by using e-voting system from a place other than the venue of AGM (remote e-voting). The Company has engaged the services of KFin as the Authorised Agency to provide remote e-voting facility.

The remote e-voting shall commence on Sunday, August 02, 2026 from 9:00 a.m. (IST) and end on Wednesday, August 05, 2026 at 5:00 p.m. (IST). The remote e-voting shall not be allowed beyond the said date and time.

A person, whose name appears in the Register of Members/Beneficial owners as on the record date (cut-off date) i.e. Thursday, July 30, 2026 only shall be entitled to avail the facility of remote e-voting as well as e-voting at the meeting.

Information and instructions comprising manner of voting, including voting remotely by members holding shares in dematerialized mode, physical mode and members who have not registered their email addresses have been provided in the Notice of AGM. Any person, who has not registered e-mail id or who acquires shares of the Company and becomes member of the Company after dispatch of the Notice of AGM and is holding shares as on the cut-off date i.e. Thursday, July 30, 2026, may obtain the User ID and password in the manner as mentioned below:

- Sending a request at KFin's email id evoting@kfintech.com / call KFin's toll free number 1800-309-4001 for assistance.
- If the mobile number of the member is registered against shares held in demat form, the member may send SMS: MYEPWD <SPACE> DP ID Client ID to 9212993399. Example for NSDL: MYEPWD <SPACE> IN12345612345678 Example for CDSL: MYEPWD <SPACE> XXXX12345678
- If the mobile number of the member is registered against shares held in physical form, the member may send SMS: MYEPWD <SPACE> Event number+Folio No. to 9212993399 Example for Physical: MYEPWD <SPACE> XXXX1234567
- The Event Number for the purpose of e-voting and AGM is 9804.
- If e-mail or mobile number of the member is registered against Folio No. / DP ID Client ID, then on the home page of <https://evoting.kfintech.com>, the member may click "forgot password" and enter Folio No. or DP ID Client ID and PAN to generate a password.
- However, if the person is already registered with KFin for remote e-voting, he/she can use his/her existing User ID and password for casting the vote without any need for obtaining a new User ID and password.

Members may also cast their vote by way of a single login credential, through their demat accounts/ websites of Depositories/ Authorized Participants.

The Company will be providing VC/OAVM facility to enable the members to attend the AGM. Members who are entitled to participate in the AGM can attend the AGM or view the live broadcast of AGM by logging on to the website of KFin at <https://meetings.kfintech.com> by using their remote e-voting credentials.

Further, facility for e-voting shall also be made available at the AGM (through insta poll) and members attending the meeting who have not already cast their vote by remote e-voting, shall be entitled to vote at the AGM through insta poll. The members who have cast their vote through remote e-voting prior to the meeting may also attend the meeting but shall not be allowed to cast their vote again at the meeting.

In case of any query pertaining to attending AGM and e-voting, members may refer to the FAQ's available on KFin's website at <https://evoting.kfintech.com> or contact Mr. Sankara Gokavarapu, Senior Manager, at einward_ris@kfintech.com or call KFin's toll free no. 1800-309-4001.

For registering / updating email addresses, members may follow the process given in Note no. 18(C) of Notice of AGM.
